

FCC,

I Sha-Lynn Drinkard of atlanta, am very much opposed to the NAB's petition 04-160, and I totally support xm's ability to provide the kind of programming that I demand and deserve, that I pay for. The xm's radio service is variety, and quality. And inthe very near future I am looking forward to have reliable weather and traffic info. from my radio choice and millions more XM Satellite Radio. I urge you to say no, reject nab's petition 04-160.

Thank You,  
Sha-Lynn Drinkard
